The Honorable Mitch McConnell  
Republican Leader  
United States Senate  
Washington, DC 20510

Dear Speaker Pelosi, Majority Leader Schumer, and Republican Leaders McConnell and McCarthy:

We write you today on a matter of grave urgency. Once again, the United States is facing the threat of a major rail strike between the major freight railroads and 12 labor unions, the second such time in less than three months. A stoppage of rail service for any duration would be extremely damaging to American families and our economy, costing \$2 billion dollars per day.<sup>1</sup>

see their sales disrupted right in the middle of the critical holiday shopping season. Even a short-term rail strike would have enormous impacts. The American agricultural community could see disruptions in transporting 6,300 carloads of food and farm products that are carried by rail daily. It would also halt the delivery of key chemicals necessary to our communities including chlorine, which is necessary for effective water and wastewater treatment operations. In many cases, businesses and communities rely on regular rail service and may not have significant reserves, even in the event of a short-term strike.

No one wins when the railroads stop running. Congress recognized their necessity to interstate commerce and economic health with the passage of the Railway Labor Act and past congressional interventions in rail labor disputes when other steps fail. Indeed, Congress has intervened 18 times since 1926 in labor negotiations that threaten interstate commerce and there is no reason why Congress should deviate from this record today. While a voluntary agreement with the four holdout unions is the best outcome, the risks to economy and communities simply make a national rail strike unacceptable. Therefore, absent a voluntary agreement, we call on you to take immediate steps to prevent a national rail strike and the certain economic destruction that would follow.

Thank you for your time and attention.

Sincerely,
