

# The Limit, Save, Grow Act of 2023

*House Republicans' plan to limit federal spending, save taxpayer dollars, and grow the economy will lead to more than \$4.5 trillion in savings to taxpayers*

## I. Limit Federal Spending

- 
- The REINS Act would help Congress block efforts by Presidents of both parties to spend money outside of the normal process and impose massive new costs on the American people, which President Biden has abused to the tune of \$1.5 trillion in unilateral executive actions.

House Republicans' H.R. 1 would unleash reliable, c \_ M
